Are seeking to recruit a

## Traveller Community Health Project Coordinator

(21 Hours)

Kilkenny LEADER Partnership, and the Health Service Executive with the support of the Kilkenny Traveller Community Movement aim to improve Traveller health through the development and delivery of key health messages to the community and the expansion of health services understanding of the Traveller culture and health contexts.

The overall role of the Co-ordinator is to support Traveller Community Health Workers to deliver a quality service to their community and to work with the overall Travelling Community with a view to developing and supporting innovative responses to the health needs of the community and of Travellers in Co. Kilkenny.

The worker will be based in Kilkenny City and be expected to outreach to Travellers in the catchment area of the Project - Co. Kilkenny.

### Key Requirements;

- Third level qualification in health promotion/family supports/community development or equivalent, or experience of working in a Community Development Organisation/Health Promotion/Family Support Services.
- An excellent understanding of the health and broader issues affecting the Traveller community.
- Have an understanding of the principles of health promotion
- Experience of working with the Traveller community or groups experiencing similar issues.
- Experience of line managing staff
- Experience of working with groups to address health issues within communities
- Experience of delivering training and education to groups within a community development context.
- Experience of networking at a local regional and national level with voluntary community and statutory agencies
