

Monaghan Integrated Development CLG

Applications are invited for the following position

COMMUNITY HEALTH AND WELLBEING CO-ORDINATOR (CHWC)

Full time Fixed Term Contract (2 years)

The Position

This exciting new position involves delivery of supports through our Health & Wellbeing hub to our target groups throughout County Monaghan. These include:

- Parenting Supports
- Older Peoples Supports
- Dissemination of Health & Wellbeing information

The Role

The CHWC will be responsible for:

- Implementing actions in the Parenting Monaghan Strategy 2022-2025 to meet the needs of Parents in Co Monaghan.
- Administering various supports to Day Care services for Older Peoples. These services are invaluable in reducing isolation and loneliness among older residents, especially as Covid recedes.
- Dissemination of Health & Wellbeing information to MID target groups

This is a community development position and may require evening/weekend work as necessary

The successful candidate should:

- Have a relevant third level qualification and/or work experience
- Be self-motivated and possess the ability to motivate others
- Possess excellent report writing, organisational and inter-personal skills (Facilitation skills would be an advantage)

The position is based in County Monaghan.

Interviews for this position will be competency based and shortlisting will apply on the basis of information provided in the application form.

The application form, together with a full job specification and guidance on competencies required is available from info@midl.ie and also on our website www.midl.ie.

Closing date: 5.00 pm Tuesday June 7th 2022 (07/6/2022)

Monaghan Integrated Development CLG is an equal opportunity employer
