

Education Officer with the Ballyfermot Chapelizod Partnership

Ballyfermot Chapelizod Partnership is currently seeking to appoint to our team an Education Officer with a passion for working collaboratively with schools and other education providers to coordinate projects to combat educational disadvantage. The successful candidate will work through established multi-agency networks to establish educational needs locally (through coordinating area-wide education research project) and coordinate a programme of evidence-based educational supports in response to the findings of this research which aim to support young people and families in Dublin 10 to reach their potential in terms of education and lifelong learning.

The successful candidate will have a clear understanding of supporting individuals, families and communities experiencing disadvantage and marginalisation to improve their educational outcomes through the provision of supports in home, school, and community settings.

The successful candidate will have a relevant third level qualification combined with a passion for lifelong learning and will have a broad understanding of the range of issues which can impact on educational attainment, particularly in communities facing difficult socio-economic circumstances.

Applications from candidates with prior experience of working with the education or community sectors are particularly welcome. The successful candidate will be a self-starter with a strong organisational and administrative skills and the ability to work on their own initiative.

The successful candidate will require excellent interpersonal skills and will be engaged in developing collaborative relationships with a wide cohort of education stakeholders. They will be aware of the social environments of D10 area of Dublin as well as be conscious of the additional requirements associated with working with statutory agencies and the protection of public funds. They will be required to understand, accept, and promote the social inclusion ethos of the Company as well as its remit to deliver the highest possible standard of service to its clients and the local community.
