

Join Our Team: Lifelong Learning Officer

Location: Offices of Liffey Partnership, Dublin 10

Salary: Scale, starting point circa €42,000 depending on experience

Deadline: 1 pm, Thursday 11th September

Are you passionate about making a meaningful impact in the lives of people experiencing marginalisation and social inclusion? Do you believe in the power of education, employment and training to transform lives? If so, we'd love to hear from you.

Liffey Area Partnership is seeking a dedicated, driven and compassionate Lifelong Learning Officer to support people aged 16+ to participate in education, training and lifelong learning, facilitating them to achieve their full potential.

What You'll Do:

As part of our Health and Inclusion team, you'll:

- Support people from a variety of backgrounds to develop personal progression plans linked to their strengths, capacities and interests.
- Design and deliver one-to-one guidance and group-based activities to provide positive learning experiences and increase readiness to participate in education, training and employment.
- Collaborate with colleagues, local training providers, employers, and community groups to connect clients with meaningful opportunities.
- Promote a culture of respect, inclusion, and empowerment at every stage of your work.

Who You Are

You're someone who:

- Has a record of successfully designing, implementing and evaluating adult education initiatives.
- Is a motivated self-starter who also thrives in a collaborative team environment.
- Understands the unique challenges faced by people impacted by poverty, educational disadvantage and social exclusion.

- Has an enthusiasm for and belief in the power of community education to transform lives.
- Is familiar with the social context of disadvantaged communities in Dublin and committed to delivering high-quality integrated community services

What we offer

- **A role with purpose** – be part of a passionate, values-driven organisation tackling real social issues.
- **Support and development** – regular supervision, team collaboration, generous study support package
- **Impact** – help individuals achieve life-changing milestones and measure your success in real, human outcomes.

How to Apply
