

Community Engagement Project Officer - The Person

Liffey Area Partnership CLG is seeking to recruit an individual to its Empowering Communities Team. The Empowering Communities Team work on the ground within the Cherry Orchard Community with local residents and individuals, assisting them to identify what matters to them and support them to engage in activities across a wide variety of local agencies.

LAP is seeking an individual who is passionate about on the ground community engagement and believes in the capacity of local people to drive what is in the best interests of the local community.

This is an exciting opportunity for someone committed to being a front-line community development worker and is very comfortable and skilled in working with individuals and groups from diverse backgrounds. Excellent communication skills are essential for the role. This is an excellent opportunity for someone to join LAP and further a career with a leading organisation in the Local Development Sector.
